📌 Please use **the latest version** of one of the recommended browsers for the best attendee experience:

*⚠ Please note, you don't need to go to **attendify.com** and sign up to join the event — this website is strictly for the event organizers. This is a common confusion that happens among attendees.*

Step 2. Enter the Event Code (if requested):

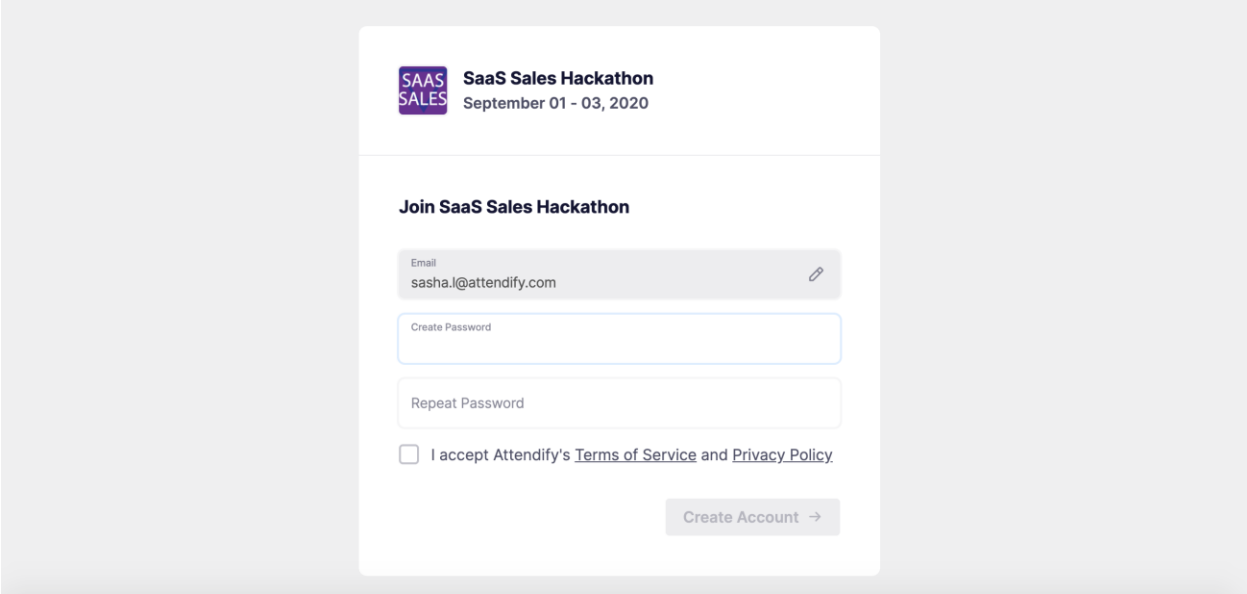

If the webpage requests you to enter the Code, please input the Event Code. The Event Code can be found in the materials shared by your event organizer. If you have not received the code, please reach out to your event organizer directly.

The image shows a registration form for the "SaaS Sales Hackathon". At the top is a purple square logo with the text "SAAS SALES" in white. Below the logo is the event title "SaaS Sales Hackathon". Underneath is a text input field labeled "Code" with a small grey question mark icon to its right. Below the input field is a blue rectangular button with the text "Submit" in white. At the bottom of the form, there is a link that says "Don't have an event code? [Click Here >](#)".

Step 3. Create a profile:

If this is your first time joining the particular event, as well as an event on Attendify experience, you will need to create a profile by entering your email and creating a password.

🔗 If you have already joined the event from a mobile app or have used Attendify for other events, you will need to log in with the same password as before. In case you forgot the password, you will need to request a password reset link. For more guidance on the password reset, please refer to [this article](#).
